

Immaculate Conception School Prayer

Loving God,

You give us Mary as our mother and call us to be holy as she is.

We praise You for forming us as a loving community of faith which welcomes each person as a unique gift, and we thank You for giving us hearts committed to justice.

Form us as a family which truly lives what we believe, and help us to grow in patience, kindness, understanding and forgiveness.
Grant us wisdom to make good choices, and strength to persevere through challenges.
May we be one in Your Spirit of love.

Mary of the Immaculate Conception, pray for us. Keep us faithful to our calling, and lead us ever more closely to Your Son.

We pray this prayer in the name of Jesus our brother and savior, who walks with us always on our journey through life.
Amen.
